

EGCA EUROPEAN CUP 2026

Together we create performance, community and new opportunities

Dear goalball friends,

*In November, the silence will fall.
The ball will roll.
And only the strongest teams will rise.*

Are you ready to fight for European redemption after being eliminated from the Champions League group stage – and secure your place in the EGCA Champions League 2027?

Across Europe, clubs train all year for moments like these – moments where opportunity, pressure and ambition meet on the court. The Goalball European Cup 2026 is not just another tournament. It is a gateway. A battle. A chance to write the next chapter in your club's history.

We are proud to invite you to this high-intensity elite club competition, open to ambitious teams across Europe.
